Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- ☐ Yes ☒ No If Yes, explain:

Purpose:

The Division of Developmental Disabilities is proposing to amend WAC 388-827-0115 (10) which governs eligibility for the State Supplementary Program. This amendment will expand the number of clients eligible for SSP. By amending this rule, state money will be preserved that is currently used to fund the Individual and Family Services Program. SSP is a federally mandated program which requires the Division to spend monies to meet a maintenance of effort in order to continue to receive SSP. Currently the division has a surplus in SSP dollars and by converting clients from the Individual and Family Services program, more clients can be served that previously received services from the Individual and Family Services program. The changes to this rule will manage budget shortfalls, and maintain fund solvency. This is the second emergency rule-making order for this WAC which will add additional clients to SSP.

Amended: WAC 388-827-0115

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- ☐ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- ☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- ☒ That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal years 2009, 2010, or 2011, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.
